

Committed Partners for Youth -- Donation Wishlist

- About:** Connecting youth to their community through mentors who inspire and motivate youth and families towards personal growth, healthy relationships and meaningful opportunities. Youth are matched with caring volunteer adults who are trained to focus on positive reinforcement, trust-building, and the achievement of goals, by engaging youth in one-on-one outings and group adventures in the community. Four cornerstones form the basis of each CPY mentoring relationship: Commitment, Responsibility, Possibility & Support.
