

Fauntleroy YMCA -- Donation Wishlist

About: Child Care After and Before School The YMCA has it all-quality and convenience at a great price. Structure is very important and is a key part of our curriculum. Before school, children will have an opportunity to do an activity in art, science or perhaps literacy. There will also be time for a teacher led class discussion. Upon returning in the afternoon, there will be more opportunities for teacher led discussions, snack, outdoor activities, art, science or literacy projects and homework program. Part of our mission is to help children become responsible members of society so each month children will be involved in a service learning project.

Address: 9260 California Ave. S.W. Seattle WA, 98136
