

Executive Service Corps of Washington -- Donation Wishlist

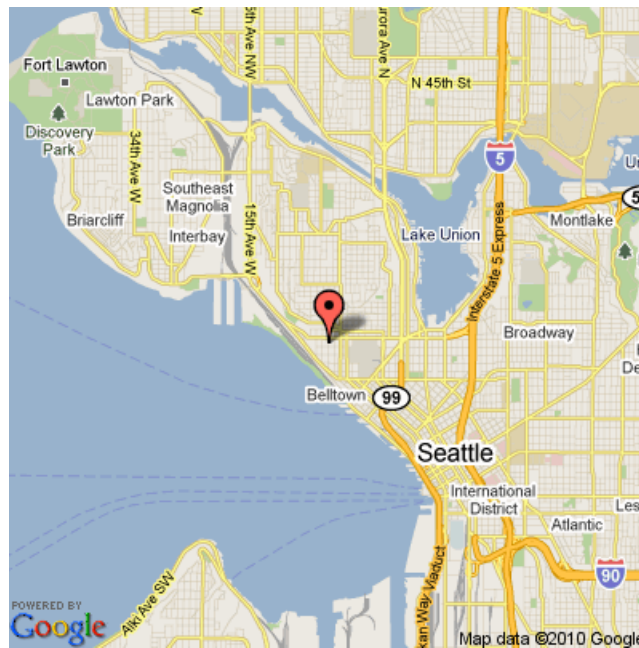

About: Executive Service Corps provides management support and consulting services to nonprofits and schools. We help organizations do their mission more effectively by providing consulting services, meeting facilitation, board and staff surveys, board development, and planning. ESC's customized programs include Financial Fitness for Nonprofits, Prepare/Respond/Serve (emergency and service continuity planning), Mighty Mouth presentation skills training, Executive Advisory Services and Leadership Coaching. ESC's services are made affordable by the contributions of over 250 service corps members who volunteer their time and talents and by the support of philanthropy. ESC also provides bookkeeping services to nonprofits.

Address: 510 2nd Ave, West Seattle WA, 98119
